

DENİZBANK ÇANKIRI BRANCH IS OPENED!

Creating innovative products and services, differentiating itself with retail banking, SME banking and agriculture banking, DenizBank's Çankırı Branch began its services on December 31st 2009. DenizBank's Çankırı Branch offers an innovative and prioritized banking service to Çankırı people with the management of Gürhan Üçkardaş.

Creating important projects and investments in many regions with the Producer Card and agriculture credits for farmers, DenizBank demonstrates its assertiveness in retail and SME banking with cash and non cash loans for tradesmen.

One of the most rapidly growing institutions of the sector, DenizBank positions its retail, SME and agriculture banking as strategic segments. DenizBank is planning to reach 475 branches by opening 25 more branches country wide by the end of 2010.

Increasing its support in maritime, education, health, tourism, infrastructure and energy sectors each day, DenizBank acts with a real financial supermarket by financing farmers, merchants and enterprises.
