

DENIZBANK MERSIN ERDEMLI BRANCH OPENED!

Launching innovative products and services and differentiating itself within the sector in terms of retail and agricultural banking, DenizBank has opened its Mersin Erdemli Branch on 13 August 2008. Thanks to the Branch, DenizBank will provide an innovative and privileged banking service to Erdemli inhabitants. 10 DenizBank personnel will be employed in the Branch, which will be managed by Gökhan Yıldırım.

Providing important projects and investments in various regions by its farmer-oriented Producer Card and agriculture loans; DenizBank also proves its ambition for retail banking sector by its cash and non-cash loans granted to artisans.

DenizBank aims at raising its branch number to 400 by opening 80 more branches in 2008. Being one of the fastest growing institutions within its sector, DenizBank considers Retail Banking and SME and Agricultural Banking as strategic sectors. Enhancing its support given to various sectors such as sailing, education, healthcare, tourism, sports, infrastructure and energy day by day; DenizBank functions as a financial supermarket by financing farmers, merchants and enterprises.
