

**Press Release****23 June 2010****The Cheapest way to travel to Prince's Islands: Sea&Miles**

**DenizBank's contactless credit card Sea&Miles offers the cheapest and fastest way to travel to Prince's Islands, after IDO turnstiles.**

DenizBank which has differentiated itself with its innovative products and services continues to offer advantages with its Sea&Miles Card which provides an easy and fast way in sea travel of Istanbul people.

After DenizBank's cooperation with Mavi Marmara, holders of Sea&Miles cards will be able to travel with their contactless cards at a 20% discount over Akbil (Smart Ticket) prices. Card users will also be able to benefit from Mavi Marmara sea taxis by paying the fees in 4 installments. Thus, Sea&Miles, which is the first and only contactless mile program card in sea transportation in the world, offers the cheapest and fastest way to travel to the islands, after IDO (Istanbul Fast Ferries Co. Inc) turnstiles. In this framework, DenizBank's contactless turnstiles in Bostacı, Büyükada, Burgazada, Kınalıada and Heybeliada are put in service.

With the agreement signed between DenizBank and Heybeliada Water Sports Club, all club members are now holders of Sea&Miles cards which can be used both for their payments and while entering the club.
